Cherrybrook has always been a great place to shop for dog breed specific gifts and we have made our Dog Lover Gifts Department even better. Our new **SHOP BY BREED** feature allows you to easily find gift items that are available in 214 breeds, from **Affenpinscher** to **Xoloitzcuintli** and everything in between. Now you can search for gifts by category such as Dog Breed Statues or by breeds such as **Chihuahua** or **Puli**.

In addition, over the last several months we have been adding many exceptional gift items to our offerings. We are now featuring over 170 breeds of distinctive **wind chimes** in several different sizes and colors. One of our feature artists, **Michael Park**, offers beautiful gifts molded from original wood carvings which are then hand painted to represent many breeds, varieties and colors. These unique gifts include **Musical Snow Globes**, **Leash Holders**, **Ornaments**, Lamps, **Mirrors**, **Desk Sets**, **Business Card Holders** and much more. Another new artist in our collection, **Karen Donleavy**, offers original hand thrown pottery mugs in 89 breeds and varieties. These are just a few of the hundreds of breed specific gift items in our **Dog Lover Gifts** department that make unique birthday gifts or holiday gifts.

All of these products will be offered year round by Cherrybrook, however, since most of these items are handcrafted it is always a good idea to order Christmas gifts early. The “secret” that we would like to share with you is that ordering early for holiday gifts can also help your budget. Order by October 31, 2008 and save 10% by entering promotion code **BREED** in the Promotion Code box on the checkout window.
